Dear Lab Provider,

Subject: Resubmission of Claims

EDS has identified a system error that resulted in the erroneous denial of certain laboratory claims with Remittance Advice Details (RAD) code **0008: The provider of service is not eligible for the type of services billed**, or **0031: The rendering provider was not eligible for the services billed on the date of service**. This error was in place for dates of processing May 21, 2007 through October 1, 2007.

No action is required on your part. EDS has resubmitted the affected claims. These resubmissions will appear on RADs beginning January 31, 2008 with CCN prefix **801755** or **802155**.

If you disagree with any of these resubmits, you may submit a *Claims Inquiry Form* (CIF) within six months of the new RAD date. For CIF completion instructions, please refer to the *CIF Completion* and *CIF Special Billing Instructions* sections in the appropriate Part 2 manual or on the Medi-Cal Web site (www.medi-cal.ca.gov).

If you have questions, please call the Telephone Service Center (TSC) at 1-800-541-5555, option 11 then 18.

Sincerely,
