

May 16, 2008

Dear Medi-Cal Provider,

Subject: Resubmission of Claims

The diagnosis restrictions for CPT-4 procedure code 82728 (ferritin) were published in the September 2007 provider bulletins and manuals. With this announcement, the Department of Health Care Services (DHCS) made the effective date for these restrictions October 1, 2007, and requested EDS to reprocess claims erroneously denied for diagnosis restrictions from dates of service August 1, 2003 through October 1, 2007.

The diagnosis restrictions for CPT-4 procedure codes 83001 (gonadotropin; follicle stimulating hormone [FSH]) and 83002 (gonadotropin; luteinizing hormone [LH]) were published in the July 2007 provider bulletins and manuals. With this announcement, DHCS made the effective date for these restrictions August 1, 2007 and requested EDS to reprocess claims erroneously denied for diagnosis restrictions from dates of service August 1, 2003 through August 1, 2007.

No action is required on your part. EDS has resubmitted the affected claims. These resubmissions will appear on *Remittance Advice Details* (RADs) beginning May 8, 2008 with CCN prefix **811555** or **811655**.

If you disagree with any of these resubmits, you may submit a *Claims Inquiry Form* (CIF) within six months of the new RAD date. For CIF completion instructions, please refer to the *CIF Completion* section and *CIF Special Billing Instructions* section in the appropriate Part 2 manual or on the Medi-Cal Web site ([www.medi-cal.ca.gov](http://www.medi-cal.ca.gov)).

If you have questions, please call the Telephone Service Center (TSC) at 1-800-541-5555, option 11, followed by option 18.

Sincerely,

A handwritten signature in black ink that reads "Nona Carpenter". The signature is written in a cursive, flowing style.

Nona Carpenter
