

February 16, 2009

Dear Cancer Detection Programs: Every Woman Counts (CDP: EWC) Provider,

Subject: Adjustment to full payment

Effective July 1, 2008, a 10 percent reduction was applied to most claims. However, after three weeks of processing, CDP: EWC was exempted from the payment reduction, retroactive to July 1, 2008. The three weeks of reduced claims were released after the budget signing, on *Remittance Advice Details* (RADs) dated September 25, 2008.

EDS, an HP company, is adjusting the reduced claims to full payment. These adjustments will appear on RADs beginning February 5, 2009, with RAD code **966: Retroactive rate adjustment**.

If you disagree with any of these adjustments, you may submit a *Claims Inquiry Form* (CIF) within six months of the new RAD date. For CIF completion instructions, please refer to the *CIF Completion* and *CIF Special Billing Instructions* sections in the appropriate Part 2 manual or on the Medi-Cal Web site ([www.medi-cal.ca.gov](http://www.medi-cal.ca.gov)).

If you have questions, please call the Telephone Service Center (TSC) at 1-800-541-5555, option 11, followed by option 18.

Sincerely,

A handwritten signature in black ink that reads 'Nona Carpenter' in a cursive script.

Nona Carpenter  
Provider Relations Director
