Dear Local Educational Agency (LEA) Provider,

Subject: Adjustment for inflation

For all LEA services, except transportation, mileage and Targeted Case Management, reimbursement rates have been adjusted for inflation effective July 1, 2006. Two system updates were implemented on May 18, 2009 to increase reimbursement rates for inflation: (1) For dates of services between July 1, 2006 and June 30, 2007 and (2) For dates of service July 1, 2007 onward. For additional information, visit the LEA Program Web site (www.dhcs.ca.gov/provgovpart/Pages/LEAFYI.aspx).

EDS, an HP company, is adjusting the affected claims. These adjustments will appear on *Remittance Advice Details* (RADs) beginning August 13, 2009, with RAD code **0875: LEA providers retroactive rate adjustment**.

If you disagree with an adjustment, you may submit a *Claims Inquiry Form* (CIF) within six months of the new RAD date. For CIF completion instructions, please refer to the *CIF Completion* and *CIF Special Billing Instructions* sections in the appropriate Part 2 manual or on the Medi-Cal Web site (www.medi-cal.ca.gov).

If you have questions, please call the Telephone Service Center (TSC) at 1-800-541-5555, option 11 followed by option 18.

Sincerely,

A handwritten signature in cursive script that reads "Nona Carpenter".
