TECHNICAL REQUIREMENTS TRAINING

How will HIPAA affect you?

- ▶▶ Attend a Medi-Cal HIPAA Technical Requirements Training session on August 18, August 19 or August 27, 2003 in Sacramento to find out. It is highly recommended that you read the HIPAA Technical Specifications Guides found in the HIPAA Update section of the Medi-Cal Web site.

Benefits of attending a HIPAA Technical Training session

Learn:

- ★ How Medi-Cal's implementation of the X12N 835 and 837 version 4010A1 electronic transaction specifications will impact you.
- ★ What billing codes and values will change, effective dates of service from September 22 forward.
- ★ What happens if you submit too much data.
- ★ What situational fields Medi-Cal will require.
- ★ What to do when your claim spans through the September 22, 2003 date.
- ★ What new fields Medi-Cal will capture.
- ★ What resources are available to help you facilitate the HIPAA transition.
- ★ How to bill a compound pharmacy claim using the National Council for Prescription Drug Programs (NCPDP) Telecommunications Standard, Version 5.1.
