

State of California—Health and Human Services Agency  
**Department of Health Care Services**

**SANDRA SHEWRY**  
Director

**ARNOLD SCHWARZENEGGER**  
Governor

Dear Clinical Laboratory Applicant:

Thank you for your inquiry regarding participation in the Medi-Cal program. This letter addresses information about the enrollment application process for a specific provider type.

**PLEASE NOTE:** Effective May 23, 2007, applicants and providers are required to submit their National Provider Identifier (NPI) with each Medi-Cal provider application package. Current Medi-Cal providers will be required to submit both the NPI and any Medi-Cal provider numbers issued previously on any application forms submitted to the Department of Health Care Services (DHCS). Applicants are required to attach a copy of the CMS/National Plan and Provider Enumeration System (NPPES) confirmation letter for each NPI listed in the application package. If providers are not eligible to receive an NPI, they should instead enter the word "atypical" in any NPI fields. These "atypical providers" will receive a unique Medi-Cal provider number once the application is approved.

DHCS is not accepting enrollment applications from Clinical Laboratory providers at this time. Currently, there is a 180-day moratorium on the enrollment of applicants as clinical laboratory providers and on the change or expansion of provider of service categories by clinical laboratory providers that were allowed to enroll in the Medi-Cal program after March 2001. This moratorium expires on February 8, 2008, and is in accordance with Section 14043.55 of the California *Welfare and Institutions Code* (W & I Code). As stated in the W & I Code, this moratorium may be extended or repeated when the DHCS Director determines this action is necessary to safeguard public funds or to maintain the fiscal integrity of the program.

This moratorium does not apply to:

1. A clinical laboratory owned and operated by a physician or physician group so long as the physician or physician group only performs Provider-Performed Microscopy Procedures (PPMP) and/or waived clinical laboratory tests or examinations;
2. Current Medi-Cal enrolled clinical laboratory providers that have at least six active provider numbers and seek to add a new business location, so long as the provider does not add new business activities, categories of service or billing codes other than those approved for enrollment at its existing locations; this exemption is only applicable to clinical laboratory providers who meet this criteria and are

2. (cont'd) continuously and actively enrolled and in good standing with Medi-Cal, prior to February 12, 2007;
3. A clinical laboratory that is owned and operated by a general acute care hospital or psychiatric hospital licensed pursuant to Health and Safety Code Section 1250, et seq.;
4. A clinical laboratory that is owned and operated by a clinic licensed pursuant to Health and Safety Code Section 1200, et seq.;
5. A public health laboratory as defined in Business and Professions Code Section 1206(a) and certified pursuant to Health and Safety Code Section 101160;
6. The purchase of an existing clinical laboratory that is currently enrolled in the Medi-Cal program as a clinical laboratory, whether it constitutes a change of ownership or not; unless it is being sold by a laboratory provider who has expanded their location(s) and/or services, under Exemption #13;
7. An out-of-state clinical laboratory requesting enrollment for the sole purpose of providing services to a Medi-Cal beneficiary on an emergency basis, in accordance with the California Code of Regulations, Title 22, Section 51006;
8. The change of location of an existing clinical laboratory that is currently enrolled in the Medi-Cal program as a clinical laboratory, so long as it neither constitutes a change of ownership nor involves the change or addition of categories of service;
9. A clinical laboratory that only seeks reimbursement for Medicare cost sharing amounts;
10. Currently enrolled clinical laboratory providers that the Department requires to submit an application for continued enrollment pursuant to California Code of Regulations, Title 22, Section 51000.55;
11. A clinical laboratory that performs a test or examination that is a Medi-Cal covered benefit and the clinical laboratory is the only Clinical Laboratory Improvement Amendments (CLIA) approved clinical laboratory in the United States to perform that test or examination;
12. Applicants whose sole business is, and continues to be throughout the existence of this moratorium, a clinical laboratory performing only anatomic pathology services that has a laboratory director certified in anatomic pathology by the American Board of Pathology or the American Osteopathic Board of Pathology.
13. A clinical laboratory that is owned and operated by a professional medical corporation or partnership of professional medical corporations, comprised of physicians that are certified by the American Board of Pathology or the American Osteopathic Board of Pathology in clinical or anatomic pathology, who can provide evidence of a current contract to provide pathology services at a licensed and Medi-Cal certified acute care hospital in California, that currently is enrolled as a clinical laboratory provider and seeks to obtain a provider number for an additional

location that will also perform clinical laboratory services, whether anatomic or clinical pathology services, and/or seeks to add new business activities, categories of service or billing codes other than those approved at its initial enrollment at its current business location. Exemption #13 only applies to those clinical lab providers who remain under the same common ownership and directorship, as defined above, for all of their business locations, throughout the period of this Moratorium.

If you are eligible according to the criteria outlined above and wish to enroll as a Medi-Cal clinical laboratory provider, please complete a new application package consisting of a *Medi-Cal Provider Application* (DHS 6204, rev. 3/07 – DHCS 6204, rev. 7/07), a *Medi-Cal Provider Agreement* (DHS 6208, rev. 3/07 – DHCS 6208, rev. 7/07), a *Medi-Cal Disclosure Statement* (DHS 6207, rev. 3/07 – DHCS 6207, rev. 7/07) and any required attachments.

Return the completed application package to:

Department of Health Care Services  
Provider Enrollment Division  
MS 4704  
P.O. Box 997413  
Sacramento, CA 95899-7413

Please read all the instructions included in the application package carefully and complete each item requested. Incomplete application packages will be returned.

It is your responsibility to report to DHCS any modifications to information previously submitted, within 35 days from the date of the change. Most changes may be reported on a *Medi-Cal Supplemental Changes* form (DHS 6209, rev. 3/07 – DHCS 6209, rev. 7/07). However, if you are reporting a change of ownership of 50 percent or more, a change of business address, or one of the other changes identified in CCR, Title 22, Section 51000.30, subsections (a) through (b), you must complete a new application package.

If you are planning to sell your business or buying an existing business, you may find it helpful to refer to the Medi-Cal Provider Enrollment page at [www.medi-cal.ca.gov](http://www.medi-cal.ca.gov). The Provider Enrollment page contains information about enrollment options available to you whenever there is a sale or purchase of a Medi-Cal enrolled clinical laboratory, including the option to submit a *Successor Liability with Joint and Several Liability Agreement*.

Enrollment forms are available at [www.medi-cal.ca.gov](http://www.medi-cal.ca.gov) or by contacting the Telephone Service Center (TSC) at 1-800-541-5555. For more information about the forms, form completion and the regulatory requirements for participation in the Medi-Cal program, please visit our Web site at [www.medi-cal.ca.gov](http://www.medi-cal.ca.gov) and click the “Provider Enrollment” link.

If you have any additional enrollment questions, please contact the Provider Enrollment Message Center at (916) 323-1945, or submit your question, in writing, to the address above or via e-mail at [PEDCorr@dhcs.ca.gov](mailto:PEDCorr@dhcs.ca.gov).

In order to submit claims electronically, providers must request a submitter number by completing a *Medi-Cal Telecommunications Provider and Biller Application/Agreement* (DHCS 6153, rev. 7/07), available on the Medi-Cal Web site at [www.medi-cal.ca.gov](http://www.medi-cal.ca.gov). A submitter number for an existing clinical laboratory is not transferable.

A new submitter number must be obtained each time a new Medi-Cal Clinical Laboratory provider number is issued by the DHCS. If you have any questions about completing the *Medi-Cal Telecommunications Provider and Biller Application/Agreement*, call the TSC at 1-800-541-5555 and select the option for Computer Media Claims.
