RHC and FQHC

Rate Changes..... 1

#### RHC and FQHC Rate Changes

Effective October 1, 2007, the Medicare Economic Index (MEI) percentage increase is 2.1 percent for any Rural Health Clinic (RHC) or Federally Qualified Health Center (FQHC) with an established Prospective Payment System (PPS) rate. Per federal requirements, any FQHC or RHC that has an established PPS rate must have it adjusted according to the MEI.
