CCS/GHPP SAR Requirements Update 1

CCS Service Code Groupings Update 1

CCS/GHPP SAR Requirements Update

Retroactively effective for dates of service on or after August 1, 2007, California Children’s Services (CCS) and Genetically Handicapped Persons Program (GHPP) providers must submit a Service Authorization Request (SAR) for nutritional therapy for Phenylketonuria (PKU).

This updated information is reflected on manual replacement page cal child sar 6 (Part 2).

CCS Service Code Groupings (SCGs) Update

Retroactively effective for dates of service on or after July 1, 2006, HCPCS code Z4303 has been added to California Children’s Services (CCS) Service Code Grouping (SCG) 06.

Effective for dates of service on or after September 1, 2007, code X7658 has been end-dated and code J9263 has been added to CCS SCGs 01, 02, 03 and 07.

Reminder: SCG 02 includes all the codes in SCG 01; SCG 03 includes all the codes in SCG 01 and SCG 02; and SCG 07 includes all the codes in SCG 01. These same “rules” apply to end-dated codes.

The updated information is reflected on manual replacement pages cal child ser 1, 3 and 16 (Part 2).
